

WHITEWOOD FARMERS & FRIENDS CURLING BONSPIEL

FUNDING APPLICATION

The Whitewood Farmers & Friends 64 team curling bonspiel started in 2016 with the hopes of bringing people into our community for a fun weekend of curling and to raise funds for capital projects at our community center at the same time.

This event has grown and become more successful than any of the committee members ever expected. This success in being able to raise a large amount of money in one weekend is thanks to the generous sponsors and community members who come out year after year to support the bonspiel and our fundraiser auction.

Due to this huge success the committee has decided that we want to use these funds for more than just the community center....we want to help financially with community groups, events and projects in all of the communities that support our bonspiel each year.

In order to apply for funds please complete the second page of this application. Each year the committee will decide on how many applications to support and on the level of support...bigger projects could potentially receive larger funding.

This application must be completed and returned by May 31st of each calendar year. Applicants will be notified of the results by June 15th. Your applications can be sent to:
